If you schedule your wire before 6PM ET, we'll start processing and conducting an internal review the same day. After 6PM ET, we'll do it the next business day. Note that as part of our internal review process, we may contact you to verify your wire request.

Once our review is complete, we'll send the wire to your recipient's bank. They may do their own review, which may delay delivery to your recipient.

Keep in mind, we don't process wires on weekends or Federal Reserve holidays.

Your recipient will typically get an international wire within 3-5 business days.
